DETAILED ACTION

Terminal Disclaimer

The terminal disclaimer filed on 5 October 2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

1. Claims 1, 2, 4-6, 9-11, and 14-37 are allowed.
2. The following is an examiner's statement of reasons for allowance: Independent claims 1, 11, and 16 and their depending claims have been allowed in view of the numerous amendments and arguments by Applicant. New claims 20-37 and their depending claims recite subject matter parallel to the original claims with additional limitations. Therefore, new independent claims 20, 26, and 32 and their depending claims are deemed allowable in view of the claims containing the allowable subject matter of the original claims and additional limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
